

# EMRULLAH DAĞKUŞU

## Computer Engineering Student

@ emrdagkusu@gmail.com

+90 553 377 5505

Kayseri , Turkey

in emrdagkusu

emrdagkusu

## EDUCATION

Abdullah Gul University

B.S. IN COMPUTER ENGINEERING

Sep 2018 - Expected: Jun 2023 Kayseri, Turkey

GPA: 3.83/4.00 | Second Year

## PROJECTS

### G-Know

Flutter application that notifies after changes at the user's GitHub account

- Technologies: Flutter, Firebase-FireStore, GitHub API
- Get notification about your GitHub account when you get a star or/and fork to your repository, when you gain a new follower
- Create a list with favorite users and notify about their changes at GitHub
- Save ideas in the note part of the profile

### Portfolio App

Portfolio website that shows blog posts and projects

- Technologies: React.js, Sanity.io, Tailwind.css, Netlify
- Show blog posts, projects and resume
- Manage posts and projects on sanity.io studio
- Netlify for deploying purposes

### Library

Library website that helps to arrange books and to keep opinions about the books

- Technologies: Python Flask, SQLAlchemy, SQLite
- Add and delete books from your shelf
- See the books by filters (year, author)
- Add summary of books and opinions about books
